TO:

Honorable Chief United States District Judge of  
the United States District Court of Puerto Rico  
Gustavo A. Gelpi

150 Carlos Chardón Street  
San Juan, Puerto Rico

Attn: Hon. Chief Judge Gustavo A. Gelpi

Greetings your Honor:

The following is to respectfully request that the San Juan Resident Office for the Secret Service in Puerto Rico is granted an exemption of fees to have access to the Public Access to Court Electronic Records, known as PACER.

The San Juan Office in Puerto Rico has limited resources and has an extended jurisdiction that includes all the Caribbean, South America and all other Spanish speaking Countries and/or territories. In order for us to provide a more effective tailoring of our investigations and successfully bring to justice individuals that attempt to defraud the United States of America, we need this tool to keep current with all the Court rulings and to effectively as well as timely, proceed as needed and instructed.

Previously we had limited access to this database, unfortunately our Headquarters instructed that this access needed to be terminated and that each district will have to consult and request to their correspondent District Courts if such access could be granted again. San Juan Resident Office is part of the Secret Service Field Office in Miami Florida. Unfortunately since San Juan does not belong to their Court jurisdiction we do not get their exemption. *See attachment.*

Your Honor, we the San Juan Resident Office for the Secret Service, respectfully request to be granted the same limited access to PACER.
